

THE MIDWEST'S PREMIER ENGINEERING REPRESENTATIVES PROVIDING ELECTROMECHANICAL SOLUTIONS FOR KEY INDUSTRIES

<p>SWITCHES & SEALING ACCESSORIES</p>  <ul style="list-style-type: none"> • Complete range of sealing solutions • Sealing boots for toggle, lever, pushbutton, rotary, other external switches, circuit breakers • Custom seals, self-sealing screws, nuts, bolts, washers 	<p>TRANSFORMERS & MAGNETICS</p>  <p>INNOVATIVE MINDS... EXCEPTIONAL QUALITY</p> <ul style="list-style-type: none"> • Custom and standard transformers, inductors, filters, baluns, chokes, assemblies, related devices for power and signal management applications • Featuring QTR-Pak®, 8th-Pak™, and Mini-Pak™ surface mount components 	<p>ENCLOSURES & PROTECTIVE CASES</p>  <ul style="list-style-type: none"> • Metal, die cast and plastic enclosures of all sizes • NEMA rated, ATEX certified boxes • Custom enclosures, cabinets, racks, accessories • Quick turn modifications, painting, and digital printing services 	<p>RANGE OF INDUSTRIAL ELECTRONICS</p>  <ul style="list-style-type: none"> • Buzzers, microphones, speakers • Audio, circular, dc power, terminal block, USB connectors, related cable assemblies • Capacitive encoders, stepper servo motors • Switches and thermal management, including heat sinks, peltier devices
<p>PLASTICS SOLUTIONS</p>  <ul style="list-style-type: none"> • Custom micro-molder, plastic-injection molder, additive manufacturer of high-precision, close-tolerance parts. • Design for manufacturing, digital manufacturing, mold construction. • Acceleration Station® 3D manufacturing produces high-quality prototype and production parts faster 	<p>THERMAL MANAGEMENT</p>  <ul style="list-style-type: none"> • High-performance thermal interface materials • SARCON® advanced silicone rubber with high thermal conductivity • Thermal gap filler pads, thin film, die-cut gaskets, conductive greases, sleeves, and caps • Zebra® elastomeric connectors 	<p>CONNECTORS & SOCKETS</p>  <p>ENGINEERED FOR LIFE</p> <ul style="list-style-type: none"> • Metal, plastic circular/rectangular connectors in panel, cable mount • Rack/Panel, D-sub, RF contacts and assemblies, high density inserts • Full offering of QPL mil-spec connectors • PCB mount universal contacts • EV charging connector and assembly solutions 	<p>THERMAL MANAGEMENT</p>   <ul style="list-style-type: none"> • Broad line of AC fans, DC fans, EC fans, fan trays, fan accessories, motorized impellers, blowers • Harsh environment options including salt-fog, IP68, and ATEX • Sourcing, design, manufacturing for a wide range of components, sub-assemblies, assemblies
<p>LED SOLUTIONS</p>  <ul style="list-style-type: none"> • Comprehensive range of LED solutions. COB arrays, Mid-Power, UV-A, UV-C, color, specialty white, IR, horticulture • Superior color rendition meeting extreme thermal conditions • Broad range of light emitting surfaces 	<p>CONNECTORS & SOCKETS</p>  <ul style="list-style-type: none"> • Precision-machined interconnect components • Spring-loaded contacts and connectors, pin headers, sockets, board-to-board; SMT, thru-hole • PCB pins, receptacles, solder terminals • Custom products; Tape/reel options available 	<p>DISPLAYS, MODULES & USER INTERFACES</p>  <ul style="list-style-type: none"> • Vacuum fluorescent displays and modules, custom and standard character or graphics, development kits • 4.3", 5", 7" and 10.1" TFT LCD with PCap touch panels; Custom glass capacitive touch switches with high definition photo lithographic etching, EMI shield windows 	<p>TRANSFORMERS & MAGNETICS</p>  <p>INNOVATIVE TRANSFORMER SOLUTIONS</p> <ul style="list-style-type: none"> • Innovative transformer solutions • Custom electric transformers and magnetic assemblies • Up to 250KW capacity including electronically controlled ferro-resonant, ferro-resonant/constant voltage, high-power regulating UV ballasts, inductors, isolation, and auto transformers
<p>RANGE OF INDUSTRIAL ELECTRONICS</p>  <ul style="list-style-type: none"> • Relays include PhotoMOS®, mechanical power and signal • Resistors, capacitors, inductors • Switches, encoders, potentiometers • Sensors include Grid-EYE® infra-red array, ultrasonic gas flow, passive infrared motion (PIRS), particulate matter • Connectors include narrow pitch board-to-board, FPC/FFC, 5G, active optical • Wireless connectivity devices for Wi-Fi, Bluetooth® • Custom DC brushless motors (BLDC) and electric commutated motors (ECM) • Rechargeable and non-rechargeable battery types 		<p>RANGE OF INDUSTRIAL ELECTRONICS</p>  <ul style="list-style-type: none"> • Airpax hydraulic-magnetic circuit breakers, switches • BEI Kimco brushless DC motors and voice coil actuators • BEI Sensors incremental, absolute, and magnetic encoders, contact and non-contact position sensors • Crydom single, dual-channel AC/DC SSRs, DIN-Rail, PCB, and plug-in mount • Cynergy3 float/flow switches, reed relays, liquid level sensors, flow sensors • Gigavac high-voltage relays • Kavlico pressure sensors and transducers • Sensata motor and lighting protectors, temperature detection • Sensata temperature switches, sensors, thermostats 	
<p>DISPLAYS, MODULES & USER INTERFACES</p>  <ul style="list-style-type: none"> • Industrial grade TFT LCD products • High contrast, high brightness, wide viewing angles, and wide operating temperatures ranging from 3.5" to 31.5" • IGZO display technology delivers high-resolution, ultra-low power • Memory-in-pixel (MIP) LCD products ranging from 1" to 4.4" 	<p>POWER SOLUTIONS</p>  <p>Trusted · Innovative · Reliable</p> <ul style="list-style-type: none"> • Reliable and innovative power supplies for industrial, medical, telecom and test & measurement • A wide range of 1.5W to 4.5KW AC-DC power supplies and DC-DC converters; Configurable and programmable options • Modified standards and value-add solutions; EMC noise filters 	<p>THERMAL MANAGEMENT</p>  <ul style="list-style-type: none"> • Innovative thermal sensing devices and hermetic solutions to ensure safe, reliable and efficient system control • Thermal switches and sensors • Thermistors, NTCs, and TCOs • Full custom solutions available 	<p>ENCLOSURES & PROTECTIVE CASES</p>  <ul style="list-style-type: none"> • Custom modular containers and cases • Deep-drawn cans, carrying cases, transit and storage cases, 19-inch rackmount cases • Modular containers, accessories, hardware

CONTROL SALES

Control Sales, Inc. is an established manufacturers' representative servicing Northern Illinois, Wisconsin, Minnesota and Iowa.

We specialize in selling electromechanical solutions to mid- to large-sized OEM customers in the Industrial, Military/Aerospace, Medical and Telecommunications industries.

Control Sales is a proud partner member of the Electronics Representative Association and the Electronics Components Industry Association.
